

FOREIGN DIRECT INVESTMENT

WHAT WE DO

Cleaver Fulton Rankin is a leading corporate law firm in Northern Ireland, providing a full legal service to both commercial and private clients.

Due to its unique business environment offering competitive costs, access to highly skilled talent and supportive funding packages Northern Ireland has and continues to, attract a high percentage of foreign direct investment.

The firm represents a significant amount of foreign investors in Northern Ireland acting for American, European and other international clients. Our FDI team has built a reputation for having a specialised knowledge of all legal aspects of investment and for providing a full inward service, which protects and enhances the interests of our overseas clients.

Our highly qualified, responsive and service oriented team advise clients at all stages of the business life-cycle; from well-known multinational corporations to start up and growth companies across various sectors, including manufacturers, pharmaceuticals and technology companies, online and digital media companies and financial services organisations.

We have an understanding of foreign law concepts and issues and extensive experience in dealing with a variety of corporate structures as well as government funding, which has proven to be of unique value to our overseas clients.

We also work beyond Northern Ireland through strategic alliances with Irish and international law firms, ensuring a high level of client care, as well as delivering local expertise at every stage.
